

To my hopefully future client,

Congratulations on your decision to embark on an intimate journey and elope! I understand that every wedding is a unique and personal way to celebrate love, and I'm thrilled to offer you my specialized photography packages to capture every precious moment.

There are a lot of good photographers out there. Why Choose me? Here are a few reasons:

Personalized Experience: I believe that every wedding is as unique as the couple themselves. I will work closely with you to understand your vision and create a photography experience that perfectly complements your story and style.

Emotion-Filled Storytelling: I specialize in telling love stories through powerful imagery. I have a keen eye for capturing emotions, candid moments, and the small details that make your elopement unforgettable. With a blend of traditional and photo journalistic styles, I'll weave together a visual narrative that reflects the essence of your love.

High-Quality Editing: My expert editing ensures that each image from your wedding is carefully enhanced to showcase the natural beauty of your surroundings and the pure joy on your faces. I pay attention to every detail, curating a collection of timeless photographs that you'll treasure for years to come.

Quick Delivery: We understand that you're excited to relive your wedding day. That's why I pride myself on delivering your edited images promptly, so you can share and reminisce about your memorable experience with your loved ones without delay.

Additional Services: In addition to wedding coverage, I always offer a range of add-on services. These can include engagement or pre-wedding photos, trash the dress, and the option of using film to make those precious memories, even more timeless.

I would be honored to be a part of your celebration and document your love story in a way that exceeds your expectations. Please let me know if you have any specific ideas or requirements, and I'll be more than happy to accommodate them.

Thank you for considering Amanda Stelling Photography. I love love and believe it should be celebrated in all its forms, and I can't wait to be part of your journey.
